

The Village Vision Pointe-Claire project consists of the entire set of actions that the City of Pointe-Claire will undertake in order to improve the quality of life in the Village while enhancing its main historical, architectural and commercial attributes.

The first step of the project will be a diagnosis of the situation. It will establish a quantitative and qualitative portrait of the Village by analysing the following components:

**Objectives**

- Evaluate the strengths/weaknesses/opportunities/constraints of the Village in a 21<sup>st</sup> century context.
- Shed light on the issues that the City of Pointe-Claire will need to consider regarding urban planning in the Village
- Serve as a basis for a Special Planning Programme

**How Can I Contribute?**

- Visit the project website at [ville.pointe-claire.qc.ca/villagevision](http://ville.pointe-claire.qc.ca/villagevision) and participate in the discussion board
- Participate in the survey that will take place in the Village this summer
- Send an email to the following address: [visionvillage@ville.pointe-claire.qc.ca](mailto:visionvillage@ville.pointe-claire.qc.ca)
- Call Convergence to speak with a representative: 514-288-2663 extension 28
- Send your comments by mail to Convergence 5570 Casgrain Avenue, 3<sup>rd</sup> floor Montréal, Québec H2T 1X9
- Participate in the villagers’ forum in November 2013

THE DIAGNOSIS NEEDS YOU: IT WILL COMBINE EXTERNAL EXPERTISE AND INPUT FROM CITIZENS, VILLAGE STAKEHOLDERS AND MUNICIPAL SERVICES
