

Construction Notice

Scheduled to start : Week of April 22

Estimated end: Fall 2025

Improvements to the Pointe-Claire drinking water plant

Occupancy of the public parking lot and construction work outside of the plant

Projected work

- Work for the maintenance and improvement of the lime system continues.
- The construction of a ventilation structure will begin in May and last approximately two weeks.

Traffic and parking

- No traffic obstruction is foreseen.
- A construction site trailer will be set up in the public parking lot in front of the plant.
- Please observe the safety perimeter and parking restrictions in place.

Worksite information

- Worksite schedule: Monday to Thursday, from 7 a.m. to 5 p.m.
- Tools and equipment required for the construction work may generate odours, dust, noise and vibrations. Despite mitigation measures taken to minimize nuisances.
