

A GREEN TOILET? WHY NOT?

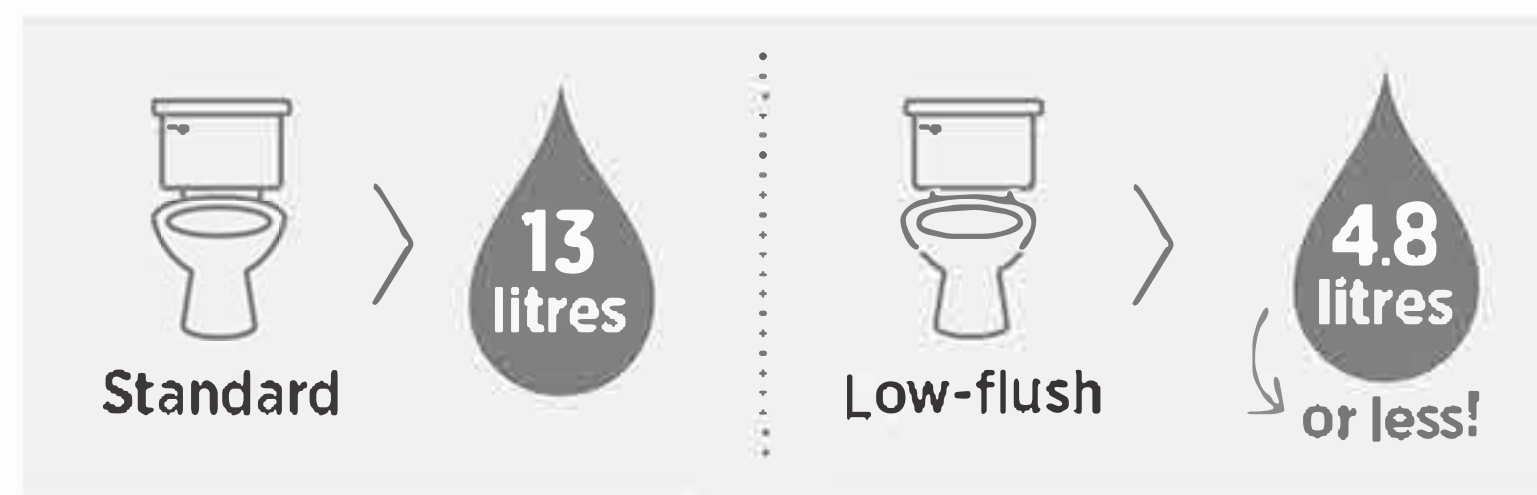

Replace your **standard toilet** with a **low-flush model**.

Receive up to **\$90**

WHY SHOULD YOU REPLACE YOUR STANDARD TOILET?

To reduce your water consumption

Replacing **1,000 standard toilets** = **SAVING 18 MILLION litres of water EVERY YEAR**

WHICH MODEL SHOULD YOU BUY?

All low-flush high-efficiency toilets (single- or dual- flush) using **a maximum of 4.8 litres or less per flush** are eligible under the program. We recommend a toilet with a MaP (Maximum Performance) score higher than 1000 g of waste removed in a single flush.

You can receive **up to \$90** for replacing your toilet with a low flush model, with a maximum of two toilets per address per year.

HOW CAN YOU PARTICIPATE?

The grant application form is available online at www.pointe-claire.ca. Please complete the form and email it with the required documents to urbanisme@pointe-claire.ca, or fill out the form in person at the City Hall multiservice counter at 451 Saint-Jean Boulevard.
