WHEREAS the Committee has considered the condition of the existing building, the deterioration of its architectural appearance, the neighbourhood's aesthetic character and quality of life, the cost of restoration, the proposed reutilization program for the vacated land, the environmental sustainability of the demolition and of the reutilization program for the vacated land and any other relevant criteria, in particular:

- That no written objections were received by the City Clerk in accordance with the provisions 148.0.7 of the Act Respecting Land Use Planning and Development;
- That no additional representations were received subsequent to the publication of notice;
- The recommendations of the Planning Advisory Committee.

CONSIDERING the provisions of Sections 148.0.1 to 148.0.26 of the Act Respecting Land Use Planning and Development and those of Demolition By-law number PC-2818 of the City of Pointe-Claire;

WHEREAS the project was studied thoroughly prior to the meeting;

WHEREAS the approximate cost of complete renovation is \$ 1 815 000 and the approximate replacement value is \$ 11 765 000;

A vote is called regarding the demolition.

The Committee votes unanimously in favour of the demolition.

A vote is called regarding the program for the reutilization of the vacated land.

The Committee votes unanimously to approve the reutilization plan for the lot 6 114 596 of the Cadastre of Québec.

FOR THESE REASONS, it is:

DECIDED:

1. TO AUTHORIZE the demolition of the immovable located on lot 6 114 596 of the Cadastre of Québec in Pointe-Claire, based on the relevant criteria mentioned in the Demolition By-Law.
2. TO APPROVE the reutilization program for the vacated land as described below, subject to the following conditions:
 - a) that the final plans listed below and received by the Planning Department on January 4 and on February 15 and 24, 2022, which documents are substantially similar to those presented to the Planning Advisory Committee on February 21, 2022 be approved by a City Council resolution:
 - Élévations et perspectives(7p)_2022-01-04
 - Plan d'architecture de paysage(10p)_2022-02-24
 - Plan de site et certificat de local. _2022-02-15
 - Évaluation Arboricole_6000 Transcanadienne_arboriculture__2022-0-16_révision#1
 - b) that the demolition permit be issued no later than 6 months following the present decision, that the demolition shall start no later than 6 months following the issuance of the demolition permit, and that the reutilization program for the vacated land be completed within 18 months of issuance of the demolition permit of the existing immovable;
 - c) that the demolition plan incorporate the necessary measures put forth in sections 10.1 to 10.4 of the Demolition By-Law concerning the management of asbestos, safety and dust;
3. TO INFORM the applicant that, in accordance with the residual materials management plan applicable to the City of Pointe-Claire, he must take all necessary measures to separate the materials resulting from the demolition/deconstruction (concrete, brick, asphalt, etc.). The demolition/deconstruction methods used must optimize, as the case may be, the recovery, recycling, reclamation and ultimately the disposal of materials in appropriate sites for this purpose. More specifically, but not limited to, take all necessary measures to control the dispersion of packaging and construction materials during demolition and reconstruction work;
4. TO INFORM the applicant that he must provide, prior to the issuance of the certificate of authorization, the information allowing to know the locations of disposal of the demolition materials;
5. TO INFORM the applicant that, before the demolition permit is issued, a monetary guarantee in the amount of \$ 271 500 must be remitted to the City in order to ensure that the programme for the reutilization for the vacated land is carried out, and this, in accordance with Section 42 of By-Law PC-2818;
6. TO INFORM the applicant that the construction must be carried out in strict conformity with the approved plans and applicable urban planning regulation.

It is noted that any interested party may, within 30 days of the decision of the Committee, appeal the decision, in writing, to the Municipal Council and to inform the applicant about the effect of such appeal on the issuance of the permit and that no demolition permit will be issued during this period.
