GENERAL INFORMATION FOR DOOR-TO-DOOR COLLECTIONS

HOW TO PLACE YOUR BINS OR CONTAINERS

- Your rolling bins, waste containers, bags of leaves, and bulky and upholstered items must be placed at the end of your driveway, after 6 p.m. the day before the collection or before 7 a.m. on the day of the collection itself.
- The wheels and handles of the rolling bin should face your home.
- There should be 30-centimetres (1-foot) of free space around the rolling bin.

PREVENT NUISANCES

- Wash your bins by spraying the outside and inside with white vinegar, then rinsing.
It's important to let them dry before putting waste in them.
- Keep them out of the sun.
- Keep lids closed at all times.

WHAT TO DO IF ...

YOU NEED A SECOND BIN OR WOULD LIKE A DIFFERENT SIZE ?

Contact Public Works : **514-630-1230** | tp@pointe-claire.ca

YOUR WASTE WASN'T PICKED UP ?

Make sure all the collection instructions were followed : day and time, bin positioning, type and weight of the container, materials deposited, etc. Bins provided by the City for organic waste and recyclables cannot be used for the collection of household waste. If all instructions were followed, report the situation to Public Works as soon as possible.

YOUR BIN PROVIDED BY THE CITY IS DAMAGED ?

NEW !

You can submit a request on the City's website to have them repaired or replaced.

Go to the **Online Requests** page of the website pointe-claire.ca or scan the following QR code to access the online form.

ORGANIC WASTE

MONDAY – Between 7 a.m. and 6 p.m. – Weekly collection

Plastic bags, utensils, plates and coffee pods are not accepted, even if they are identified as compostable or biodegradable.

PREVENT NUISANCE FOR THE COLLECTION OF ORGANIC MATERIALS:

- Alternate between food scraps and dry materials. Layer them separately and wrap your leftover meat, chicken or fish in newspaper before putting it in the bin.
- Place newspaper at the bottom of the bin before putting your materials in to limit odours in the summer and prevent them from sticking to the walls of the bin in the winter.
- Place your leftover meat, chicken or fish in the freezer or refrigerator until collection day.

For other tips and tricks, visit pointe-claire.ca.

RECYCLABLES

MONDAY – Between 7 a.m. and 6 p.m. – Weekly collection

ECOCENTRES

SATURDAY – Between 9 a.m. and 4 p.m.

April 15, May 13, June 10, July 15, August 12, September 9 and October 14

50 Terra-Cotta Avenue – Public Works yard

- **MULTI Card required**

Materials and items are taken to sorting centres to determine what will be reused, recycled or reclaimed. Non-recoverable waste is sent to landfill sites.

AGGLOMERATION OF MONTRÉAL ECOCENTRES

This service is provided free of charge to citizens for a yearly maximum of 12 cubic metres. Beyond this amount, a fee will be charged.

Hazardous household waste is accepted at agglomeration of Montréal ecocentres.

Proof of residence with address and photo required.

Information:

514-872-0384, montreal.ca/en/topics/ecocentres

SEASONAL LEAF COLLECTION

MONDAY – Between 7 a.m. and 6 p.m.

SPRING

From April 3 to June 5

FALL

From October 2 to December 4

On these days, place your bins, containers and paper bags filled with leaves at the curb.

Leaves are accepted at all times in the weekly organic waste collection. They must be placed in the green rolling bin.

PERMITTED CONTAINERS

- 80-, 120- and 240-L green rolling bins provided by the City;
- Reusable containers with a maximum volume of 100 L;
- Cardboard boxes;
- Paper bags only (with or without cellulose film cellulosique).

LEAF AND GRASS RECYCLING

This environmentally friendly practice involves leaving shredded fallen leaves and grass clippings on the ground after mowing so that they can break down into the soil.

Leaves and grass are natural fertilizers !

BRANCH COLLECTION

From May 1 to October 31

Branches are collected regularly by Public Works between May and October.

Please allow 21 days for this collection.

Branches that have been professionally pruned or felled are the contractor's responsibility.

INSTRUCTIONS

- Place the branches at the curb.
- The cut end must be facing the street to make them easier to collect.
- There must not be any debris (soil, roots, metal, etc.) on them.
- They must be 10 cm (4 in.) or less in diameter. Larger branches are accepted at the Ecocentre.
- Branch piles must not be higher than 1.2 m and must be spread out.
