3. TO INFORM the applicant that he must take all necessary measures to separate the materials resulting from the demolition/deconstruction (concrete, brick, asphalt, etc.), all to promote the implementation of the residual materials management plan of the Communauté métropolitaine de Montréal (CMM) on the City of Pointe-Claire territory. The demolition/deconstruction methods used must optimize, as the case may be, the recovery, recycling, reclamation and ultimately the disposal of materials in appropriate sites for this purpose. More specifically, but not limited to, take all necessary measures to control the dispersion of packaging and construction materials during demolition and reconstruction work.
4. TO INFORM the applicant that he must provide, prior to the issuance of the certificate of authorization, the information allowing to know the locations of disposal of the demolition materials.
5. TO INFORM the applicant that, before the demolition permit is issued, a monetary guarantee in the amount of \$10,000 must be remitted to the City in order to ensure that the programme for the reutilization for the vacated land is carried out, and this, in accordance with Section 41 of By-Law PC-2818.
6. TO INFORM the applicant that he must, throughout the duration of the demolition and construction work, take all necessary measures to maintain public property (street right-of-way, sidewalk, etc.) in a good state of cleanliness. It will have to ensure that it takes the necessary measures to manage building materials and residues from demolition and construction in such a way that they do not cause damage or inconvenience to adjacent properties.

- 7. TO INFORM the applicant that he must comply with Regulation 1495 concerning nuisances by ensuring in particular that the construction work is carried out between 7am and 9pm on weekdays and between 9am and 5pm on Saturdays, Sundays and public holidays.
- 8. TO INFORM the applicant that the construction must be carried out in strict conformity with the approved plans and applicable urban planning regulation.

It is noted that any interested party may, within 30 days of the decision of the Committee, appeal the decision, in writing, to the Municipal Council and to inform the applicant about the effect of such appeal on the issuance of the permit and that no demolition permit will be issued during this period.
