AND RESOLVED AS FOLLOWS:

IT IS HEREBY ENACTED AND ORDAINED BY THE PRESENT

BY-LAW AS FOLLOWS:

ARTICLE 1: It is prohibited for anyone but a City employee to operate or manipulate a City hydrant.

ARTICLE 2: Anyone wishing to use water from a hydrant must first apply to the City treasurer for a written permit which shall be issued for this purpose under the following conditions:

	Fee	GST & PST	Adm. costs
2.1 Hydrant connection			
2.1.1 For a non profit organization	No charge		
2.1.2 The highest of:			
a) Minimum charge per hydrant	110,00 \$	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
or			
b) Daily rate indicated on the side, multiplied by the number of days hydrant is to be used, plus the cost of water used, plus the cost of rental of the water-meter depending on the diameter	12,00 \$	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
Note	Cost of water consumption per meter is established according to the tariff adopted by By-law decreeing the imposition of the general real estate tax 2024.		
2.2	No water may be used from any hydrant by the applicant until a City employee has installed on the said hydrant a temporary water meter;		
2.3	The applicant must notify the director of public works when he has ceased to use water from a hydrant;		

ARTICLE 3: When the applicant has finished using water from a hydrant, the director of public works:

- 3.1 Shall cause said hydrant and the water meter to be examined, and
- 3.2 Shall prepare a written report to the City treasurer wherein he will state:
  - 3.2.1 the number of days during which water was used from the hydrant and the volume of water used, and
  - 3.2.2 that the hydrant has not been damaged or that the hydrant has been damaged and the cost of the repairs to be made thereto, and
- 3.2 Shall submit his report to the City treasurer who shall return the deposit to the applicant or apply same towards the cost of repairing the hydrant and the payment of the sums mentioned in section 2, as the case may be.

ARTICLE 4: When water from a hydrant is required to fill a pool, or for soil-testing purposes, or for any other purpose between November 1st and April 15th, the applicant shall pay:

- 4.1 The actual cost of the operation, including administration expenses, according to prevailing rates, and
- 4.2 The cost of the water used in accordance with the tariff set by section 2 of by-law 1934.
